PRESIDENT'S MESSAGE

Liz Larson Gursky

Dear Shoreham Country Club Members

Welcome to the 2014 Summer Season! We started off the summer with a great turn out for our Memorial Day Cocktail Party.

A big thank you to Robin Avidor and Judy Baker for organizing the event, and to Tom Spier for providing the wonderful pictures of residents and family members who have served our country.

July is filled with many fun events, starting off with the traditional 4th of July Dinner Dance, followed by the Family Beach Party/Regatta, and the Progressive Dinner. Please plan on attending these events!

We are always looking for ideas for new events so if you have a suggestion, please let us know.

Our beautiful Shoreham Village has so much to offer us during the summer months. I hope everyone has a safe and enjoyable summer!

I look forward to seeing you at Club.

Liz Larson Gursky

SHOREHAM VILLAGE NEWS

**FINALLY!
THE MOMENT WE'VE ALL BEEN
WAITING FOR!
SUMMER!!!**

Let's face it; it was a tough, tough winter. If we were here on Long Island, we know it only too well; and if we were fortunate enough to be in a warmer climate, it's likely we were worried about our travel plans or our Shoreham friends and property. Yeah, admit it. You remember. It was a tough winter.

But the lovely long days of this glorious spring are making that memory a lot more distant, and this month we welcome back Summer with all the sports and activities we can cram into its extra-long days. Tennis courts are ready, players are gearing up for their game; and the softball field is seeing plenty of action, as is the basketball court. We now have pickle ball as an option, too (for those snow birds that have enjoyed the game in Florida and those interested in giving it a try for the first time!). The runners and bikers are flying by us on Woodville and Briarcliff. And the beach is welcoming back the early swimmers, sailors, kayakers, and beach walkers. Bring it on! We're ready for this season. We've been waiting for it!

Best thing to do is get out and join the fun. Keep an eye on the emails and bulletin boards to see notices of Shoreham Village tournaments and outings, and check this Item for dates of SCC events so you don't miss a thing!

But before we move forward, we need to make note of what is believed to be a **First in Shoreham tournament history**. A sports dynasty is emerging in the Lynn family, precipitated by the winning of the 2014 Platform Tennis Championships by

Deborah Lynn for the Ladies, and separately, by George Lynn for the Men. Looking over the Shoreham history of all tournament play, no one can remember a similar sweep by any family in the village. Shall we cheer them on to win the 2014 tennis championship trophies? What can we call it if they do? A Grand Shoreham Slam? Whatever we call it, it's an impressive feat and they've both done well! Congratulations, Deborah and George Lynn! Now let's get out there and run, score, play, cheer, and most of all...ENJOY!! We've been waiting for it!

**SHOREHAM PLATFORM TENNIS
2013- 2014 SEASON**

Neither Polar Vortexes nor multiple snowstorms prevented a strong 2013-14 season on the weekends and weeknights. Lots of group shoveling sessions were held to remove the accumulating snow depths. Multiple games were scheduled each weekend with the women on the North court and the men using the South court.

The season ended in April with the two Village Tournaments. The Melius /Pijacki trophy was won by Debbie Lynn with Petra Adams as runner-up in a round robin format.

The Men formed A-B teams with each team playing each other. The two teams with the highest score played off for the Championship and ownership for a year of the Goat Trophy. This year George Lynn and John Bates Sr defeated George Lynn Jr and Brian McCarthy 6-4. It was noted (often) that the results of final were the reverse of the round robin!

Following the men's tournament, Sandwich wraps and Beverages were served at lunchtime.

See you next year!
