## A NARROW ESCAPE

Last Tuesday, August the 6th. brought much excitement to the usually calm and peaceful Shoreham.

The excitement started when two boats were sighted quite far out and apparently unaware of the strong wind and tide which was swiftly sweeping them farther and farther out. Lucius Bennett, our life-guard, thinking the boats in danger immediately set out to assist them. He rowed steadily out for about four miles before he reached the stricken boat. Lucius discovered the occupants of the boat were three boys from Rocky Point. Realizing it was beyond his power to assist the other boat, which was at least eight miles out, he set forth for shore with the first boat close behind him. The life-guard and the Rocky Pointers landed safely near Wading River

## FLOWER SHOW

The Second Neighborhood Flower Show, sponsored by the Shoreham, Belle Terre and Swasset Garden Clubs, was held today August the 9th., at the Shoreham Country Club. This Show was the most beautiful and unique ever held in Shoreham and most everyone turned out to see it.

There were many fine exhibits such as a typical Chinese Garden, which was one of the outstanding exhibits at the show as well as many flower, vegetable, and educational exhibits. The downstairs portion of the club was transformed into a Chinese Tea Room where tea was served by four young Shorehamites assisted by some out-of-town girls were dressed as Chinese waitresses. ### A NARROW ESCAPE

con't from page one

It was decided that the only hope for the other boat was the Coast Guard, so the Coast Guard was notified and the approximate position of the second boat was given them. All night the Coast Guard combed the Sound but the task of finding such a small boat in such a lot of water proved almost futile.

Finally about 4:00 A.M. a private yacht picked up the occupants of the lost boat, who turned out to be a man & woman from Rocky Point, and returned them safely to their homes. All in all it was a NARROW ESCAPE.

## WISDOM

To Republicans I recall Abraham Lincoln's words: *"The principles of Jefferson are the definitions and axioms of a free society."*

To Democrats, of whom I have been one for a lifetime, I recall Jefferson's admonition, *"What has destroyed liberty and the rights of man in every government which has existed under the sun? The generalizing and concentrating all powers into one body."*
