A TRIBUTE TO THE LIVING

The last dance of the 1943 season was marked with much gaiety and the Club mortgage was burned after unusual ceremonies. However, the momentous event came when the President called upon Mrs. Edith Gridley to present a beautiful bronze plaque to Alfred Wright Varian. This plaque was in tribute to a great, fine, unselfish, living soul who had done much for the growth and success of the Club. The presentation and acceptance were made in a silence that was awe-inspiring. Alfred Varian richly deserved the deep hearted and sincere tribute bestowed on him.

The plaque will hang in the lobby of the Club this week-end for all members to see.

Please phone Personal or Village News to "Shorehamitem", Tel: 2327.

TRADITION

The tradition which has been such a glorious part of Shoreham for years and years past, will carry on this season. Accompanying the bugle calls for assembly will be Uncle Bill Varian's familiar voice, - "All out for the big parade". The assembly will be at the Varian's residence, immediately after the call, where flags, caps and other favors will be distributed to all children for the parade. The one and only Shoreham band will be on hand and all residents with bugles, horns, drums, etc. are requested to contact Mr. George Beatty before or on Monday, July 3rd. (Telephone - Shoreham 2300)

1944

In silent reverence we salute the sons and daughters whom, without fear, have kept their faith to the great and noble cause of "Give me liberty or give me death".

In Tarawa, Viipuri, Saipan, Cherbourg, Italy and China the fighting allies are carrying the banners of justice.

May we think straight, with the courage and determination that this war shall be the last,- that future generations may grow up in a world of peace and human understanding.

We are proud of our Allies, and proud that Shoreham is doing its bit.

"Upon some calendar we do not see
is marked the date of Victory.
Pray God with us that date will be
certain of wars finality."

SHOREHAM COUNTRY CLUB

CLUB OPENING - SATURDAY NIGHT - JULY FIRST!!

The Shoreham Country Club will open Saturday Night - 9:30 to 1:30 to the largest gathering of members in many a year. The unusually long week end and the necessity for all of us taking some recreation and relaxation from the 2½ year war strain and pressure, has filled Shoreham to overflowing.

Every available home has been taken and most have been already occupied for some weeks.

The Club has always been exceedingly popular and has been the means of holding Shoreham residents together for years past.

This year promises to be the greatest in the club's history and it has responded with a new outside white paint dress, new kitchen linoleum, interior furniture repainted, and a splendid board of directors.

Mr. Mervin Pallister, the new president, comes from one of Shoreham's oldest families and we can rest assured will guide the club's many activities thru a successful season. We all know the splendid ability represented by the club's three vice-presidents and with John Bates, Tom Miles and Jack Hunsicker backing up the president in his many duties, 'nuff said.

The chairman of the membership committee wishes to extend a most cordial and sincere invitation to you to join the club.

You do not need to be a paid member to attend the opening night. Come down and have some fun, dance to the soft dreamy music of Shoreham's orchestra, and forget the war's aches and pains.

This year's membership dues will be \$10.00 per person and entitles you to all club activities except the tennis club, which is \$2.50 extra per family.

All members of the armed forces are given FREE memberships. Your support of the club therefore enables it to carry on a splendid war effort. Whether you can enter into the club's social activities or not, please consider joining at the extreme low membership rate of \$10.00 so the club can carry thru its program for the armed forces.

The "Shoramitem" (our newspaper) will be sent free to all of the service members from Shoreham. Please leave at the club entrance door the mailing address of your relatives who would like to receive the paper.

Come to the club - enjoy yourself - Saturday Night, July 1st - 9:30 to 1:30.

TENNIS CLUB

All residents are invited to join the tennis club. This year's dues are \$2.50 per family for the entire season.

We are pleased to announce that this year the courts are being put into splendid playing condition under the supervision of Mr. Patten. With years of experience behind him, we can expect some mighty fine courts and splendid tennis should result.

Mr. Patten is the father-in-law of our club director, Mr. Kenneth Kerr, and we are most fortunate in having his services.

DANCING CLASSES (All children)

Certainly Shoreham would miss its childrens dancing instructions by Miss Evelyn R. Jantzer.

This year Miss Jantzer will be back with us and has called next Wednesday early afternoon (3 p.m.) for the initial get-together.

The classes will be held on Wednesday evenings and Thursday mornings, the same as last year.

Please come down with your children next Wednesday, July 5th at 3 p.m.

BEACH

Shoreham's beach has taken on a new face and is really a beautiful sight. A huge tractor type bull-dozer levelled off the rough spots and, - two new floats adorn the water. Those of us that love the sun and water bathing, will really be in the swim this year.

VILLAGE ELECTION

Yes indeed, we held the annual election last Tuesday, June 20th and returned our popular Mayor Henry Laurencot to office for 2 years. Sweeping his entire slate into office with him, we find Dr. Frederic Finn and Mr. Sheldon Du Cret elected trustees and Mr. De Witt Bailey, police justice.

Some people wonder and often inquire why Shoreham runs so smoothly and is completely out of debt. It is one of the distinguished villages in the country that is free from debt. This is really a great attribute to the faithful governing servants who watch over it.

Continue on - "Oh ye faithful"!

SONG SERVICE

SUNDAY NIGHT - 8 P.M.

This season Mrs. G. Sarkany will be in charge and knowing her past efforts, we can only say Amen.

The opening Sunday Night Song Service will be conducted by Mr. De Witt Bailey, whom we have missed for the past two years. WELCOME HOME DE WITT.

PERSONAL BRIEFS

Have been eliminated from this initial publication in order that all the village and club notices could be printed. Conservation of paper has been requested by the National government and we must do our bit. However, the following publications will have room for personal "Shorhamites", so please telephone in your news. (Shoreham 2327).

As our newspaper will be going to the members of the armed forces, we want to make our paper as interesting as possible. We therefore look to all of you to do your bit in the way of news.
