Shorehamites Participate In Flower Show

The Neighborhood Flower Show sponsored by the Suwassett Garden Club, Poquott Garden Club, and the Shoreham Garden Club was held at the home of the late John T. Mather in Port Jefferson, this afternoon. The theme of the show was Mexican in color, texture and materials used. The reason for the Mexican theme was due to present Pan American interests and particular interests in Mexican art and customs. Mr. Naufruss of Mount Sinai donated many of his Mexican possessions as a background for the show. The Mexican theme was beautifully carried out to the extent of a Mexican market which was set up on the lawn.

Mrs. R. B. McGahen and Mrs. Stevens seemed to lead the Shorehamites with the best exhibits from the Shoreham Club. In the horticultural exhibits Mrs. McGahen won first prize and Mrs. Stevens second prize in the class of three blooms of any kind of annuals. For three blooms of any perennial Mrs. McGahen won first prize. Mrs. Stevens took the second prize for twelve blooms of double Nasturtiums. She also took first place for her collection of Hybrid Tea Roses. The prize winning specimen of a Polyanthus Rose was taken by Mrs. McGahen.

In the class for flower arrangement Mrs. Sackett took a first prize with her study in Reds. The arrangement in "Close" or Contiguous Harmony Mrs. Sackett drew first, Mrs. Stevens second, and Mrs. McGahen third. For a miniature arrangement of flowers Mrs. Pallister received the first place. Mrs. T. K. Elliot had an excellent arrangement which took first prize as a special exhibit.

Under the class entitled "Mexican Market", Mrs. Stevens took one second place with an arrangement of vegetables and another for a basket of beans. For a small basket of gooseberries Mrs. McGahen received another first prize.

Mrs. Alfred W. Varian won first prize for her out-of-doors breakfast table setup.

The sweepstake prize for the largest total prize winnings was taken by Mrs. S. Gladys of Terryville, with six firsts out of six entries. Mrs. Addison S. Pratt came second in this rating with five first places.

The judges for the Horticultural Exhibits were Mr. Maldreth, Mr. Bulk, and Paul Jones. The Judges for the arrangements were Mrs. Boscher, Mrs. Paul King, and Mrs. M. Ormsbee.

Shoreham Elects Cary D. Waters Mayor

At an election of village officers held last Tuesday, Cary D. Waters was elected mayor for a fourth term of two years. Mr. Sackett, retiring mayor and Mr. Elliott were elected trustees of the village.

Mr. Waters has been either mayor or one of the trustees since 1926. His first term as mayor was in 1926 and 1927. His second term was 1930 and 1931. He was then reelected mayor for a third term in 1932.

Mr. Waters' past administrations as mayor have been termed the most efficient Shoreham had seen. Mr. Waters is also president of the Brooklyn Chamber of Commerce. He is president of the C. J. Tagliabue Manufacturing Company and a member of the advisory board of the Chemical Bank & Trust Company of New York, and a trustee of the East Brooklyn Savings Bank. He is also a director of the Shoreham Realty Corporation, Suffolk County Land Company, the Safe-T-Liter Company, and several other companies.

His club and organization affiliations include the Crescent-Hamilton Athletic, Downtown Athletic, Oakland Golf, St. Albans Golf and St. Georges Golf and Country Clubs; Montauk, Railroad and Bankers' Clubs; Mayflower Society; New England Society; Sons of Colonial Wars; Sons of American Revolution and Phi Gamma Delta.

He is an alumnus of New York University, (1904) having previously attended Mt. Pleasant Academy and Hamilton Institute.

Garden Club Holds Meeting

The second General Meeting of the Shoreham Garden Club for this year was held at the home of Mrs. A. J. Sackett on Friday afternoon and was preceded by an executive committee meeting in the morning. About twenty members of the club were present.

After the report of last year's committees were given discussion turned to the entries in the flower show which was held today. Plans for the garden party to be held in the garden of Mrs. Callender on July 16, were reviewed.

A tea and general social hour followed the meeting.

The following committee chairmen for the coming year were appointed at this meeting: Program, Mrs. Franke Beckwith; Beach, Mrs. Cary D. Waters; Publicity, Mrs. Rufus E. McGahen; Hospitality, Mrs. William D. Van Arnam; Membership, Mrs. John Quincy Hunsicker III; Oval and Triangle, Mrs. Rufus E. McGahen; Road Side, Mrs. James E. Robinson.

Beach and Club Front Improved

New Life Guard to Be Stationed on Beach During Summer.

Shoreham Beach has long suffered from an ugly sunken place at the back near the bluff which was always filled with stagnant water. This place has been filled in and smoothed off until it now looks very much better.

The club has had its face lifted by the Garden Club,—that is the garden club has done some extensive landscape gardening in front of the clubhouse. The planting was done by the Hart nursery in Wading River, under the supervision of Mrs. Alfred Varian and her garden club committee in collaboration with President John Haslett of the Shoreham Country Club. What took place can best be described by quoting Mr. Haslett in his letter to club members.

"A notable change has been made this spring in the appearance of the club grounds on the beach side. The Garden Club has completed a landscaping project second to no other public undertaking in the village. A flagstone terrace bordered by a hedge, a dozen large, sturdy evergreens and scores of hardy bushes of bayberry rose and mountain laurel have transformed the grounds with enduring verdure."

On the beach this year there will be a new life guard to watch out for the children and other bathers. The new life guard will be Jay Thomas who is a graduate of St. Paul's school in Garden City. For the coming summer it has been requested that the children be kept off all banks and bluffs, and that boats be kept off the rafts, and to the sides of the raft ropes.

Another addition to the beach are the new metal floats that have been recently attached to the raft ropes. The village lifeboat has also received a new coat of paint and the boat has new oar locks to take the place of those broken while the boat was in service last year.

NEW CLUBS IN SHOREHAM

This year as in no other year there are going to be organized clubs for the juniors of Shoreham. The first is the Eagle Club, which was started in 1936, but up to now has not done much. The members plan to build a clubhouse and to secure Eagle emblems for their sweaters. The officer for month are Rene Laurencot, president; Bud Sherman, vice-president, and Ed Barnhart, treasurer.

The Eagle Club has two senior

Club to Open With Dance on Saturday

Plans for one of the biggest week-ends of every Shoreham season are nearing completion. Those in charge of the Fourth of July celebration in Shoreham this year have made announcements of the events which are to take place.

The Shoreham Club opens its 1938 season with a dance at the clubhouse Saturday night. The music for the dance will be supplied by Wes Oliver and his orchestra.

Baseball seems to be the order of the week-end with two games scheduled. According to Bob Oliver, chairman of the club athletic committee, the first game will be Shoreham vs. Wading River at 11 o'clock Sunday morning.

The annual parade to the ball park will start at 10:30 o'clock Monday morning. The children of Shoreham will assemble at the Varian Golf Course as usual to receive favors and will be led to the ball park by Mr. Varian.

At the ball park after the parade the traditional married men vs. single men ball game will swing into action with Thomas Miles leading the worried husbands and the Frei brothers leading the eligible bachelors.

Monday afternoon the field events will be held near the tennis courts. The various events of the cinder track will be announced some time during the week-end. There will be events for young and old and the committee is waiting to see how the age limits should be divided before announcing the separate events for the day. One event which should be very popular from the advanced signs on the Shoreham streets will be the bicycle race. The annual hose contest will also be held at this time.

Water events and a casting contest are scheduled for the beach at 4 o'clock. The single races for the water events like those of the field events have not yet been announced.

LOST, STRAYED OR STOLEN

The Shoreham Country Club has always been most appreciative of the splendid cooperation of those who have lent "props" for the various performances, and is therefore deeply upset over the loss of George Beatty's bell which he lent for the plays last year. The club is most anxious to recover this bell as it is an heirloom of considerable value. Will anyone knowing anything of the whereabouts of the bell kindly communicate with Mr. Beatty immediately.

GREETINGS FOR 1938

Another summer,—another season at Shoreham and the first issue of volume two of the Shoreham Sounder has come rolling off the presses. At this point the Editor takes this space to say greetings for the 1938 season. It is the hope of the Editor that there will be as few inaccuracies as are humanly possible in the coming issues. The Editor is also hoping for the support of all of last year's readers and wishes to thank them for all the help, comments and suggestions on last year's paper. In starting publication for this, the second season, the editor is looking forward to renewing old acquaintances and to making many new friends.

While we are speaking in generalities and making this so-called editorial somewhat of a friendly discussion it might be well to draw attention to the fact that 1938 is the twenty-fifth anniversary of the incorporation of the Village of Shoreham. Someone once said that anniversaries that end in zeros are always news, but those that are multiples of twenty-five are events. Therefore we have an event on our hands, but there will be more about this anniversary later on in the season.

EDITORIAL

This paper is all ready to go to bed; all is here except an editorial. The editor sits down to write one. He sits. The keys of the typewriter stare motionless up at him. He gets up and lights another cigarette. He sits down again, tilts back in his chair and tries to think but nothing comes to him. He comes forward in his chair with a jerk; the keys before him begin to move under his mad dashing fingers, he stops and looks at the paper, it crumples under his hand.

Rising he turns on the radio, only to turn it off again. The old files loom up before him,—maybe the answer to all his trouble. Last year he wrote about improvements, but that was last year. He wrote about the hose contest, but that has been overworked. Coming late to dances had been another attempt at editorial prowess, but everyone came late anyway. Beach improvement had been one subject, but the beach has already been improved. What about politics?—that is a good editorial target on most papers. Oh! there are no political difficulties in Shoreham this year.

What makes a good editorial anyway? What are most editorials? An editorial is used to get the people excited about something to make them see things his way. Therefore there must be a question involved or something that is wrong that needs correction. The editor finds no questions that bother or interest him to the point of arguing, pro or con, at this early point in the season. Then we will have to find something that is wrong. But that is a tough assignment, the editor, try as he may, finds nothing very wrong here in Shoreham. Shoreham is as fine a place to spend

the summer as any one will find for some distance. Of course we had a little rain here recently but we can't do much editorially about the weather. However, it did slow up the summer a bit and things have been a little dead up until now. But the fireworks will be starting soon in more ways than one. And while we are on the subject of fireworks,—will parents, please, lock all young boys in rooms where they can't get out the windows the night before the 4th and keep them there until, say, eight o'clock? So the rest of us can sleep. Also everyone be careful with firecrackers. There have been no serious Fourth of July accidents in recent years in Shoreham. So let's not have any this year.

In looking for things that were right. The improvements to the club and beach are a welcome sight. There are many new people in Shoreham whom we are all anxious to know. And a little hint to these new arrivals; Shorehamites are very willing to know you and be friendly, but these Shorehamites are a queer lot, in that you must make the first steps towards being friendly. If you want to get to know Shoreham come to the beach or to the club because Shoreham never came to anyone who stayed home and waited for Shoreham to come to them.

WADING RIVER

The Wading River Field and Tennis Club is planning a gay holiday week-end to celebrate the Fourth of July. The long awaited gymkhana, an annual feature, will preface the holiday festivities under the capable leadership of Mr. and Mrs. J. Archibald Keillor, assisted by members of their family and other directors and officers of the club. The costume parade, which will start the ball rolling in the right direction, is scheduled to assemble at the beach at two-thirty Saturday afternoon. All members are urged to dress appropriately and take part in the parade. Those having horses will ride, while others are planning to make the trip by "horse-and-buggy" or any other means of conveyance which may strike their fancy. The gymkhana itself will start when the parade reaches the polo grounds. Many interesting events have been planned for the afternoon, all of which will be climaxed by attractive prizes. The nature of the events and rules for them will be made known by the committee at the polo field, but all members are instructed to be on hand, all set to enter whole-heartedly into the spirit of the affair! Sunday evening, the eve of the Fourth, there will be an exhibition of fireworks at the club beach.

Miss Edna von der Geest is enjoying a week's vacation at Atlantic City.

Randell D. Warden Jr., will visit his parents over the Fourth.

Mr. and Mrs. J. L. Hogeboom will have as their guests, Mr. and Mrs. Walter Monsees of Rockville Center.

Commander and Mrs. Kenworthy will be the guests of Mr. and Mrs. Albert Barnhart.

Miss Gladys Koch entertained at a bridge luncheon on Wednesday for Mrs. George Beatty.

Shoreham has been invited "to lubricate at the Bailey-Hagenah domicile on the afternoon of July 3 at 5 p. m."

SOUNDINGS

AROUND

Port Jefferson, Belle Terre and Miller Place

By Irene Chatterton and Frank S. Child, 3d.

Joe Carpenter, formerly of Belle Terre, and now of Greenwich, Conn., stopped in Port Jefferson Harbor Saturday evening while on a short cruise with five schoolmates. They sailed across from Connecticut after attending the Yale-Harvard Regatta.

Mrs. A. L. Chatterton is the guest of her daughter, Mrs. W. C. Clayton, for the summer.

Mrs. A. L. Smith gave an anniversary party for Dr. and Mrs. W. C. Clayton Saturday night. Among those present were: Mr. and Mrs. Nelson Hughes, Mr. and Mrs. Richard Sheldrake, Mr. and Mrs. D. Dennison, Mr. and Mrs. L. Lyons, Karl MacGaughey, Douglas Kenyon, Charles Woody, Cortright Enderley, and Mr. Lawrence.

Miss Barbara Peck of Belle Terre is spending the summer in California with her mother.

John Williams has left for the west with a schoolmate of his. They plan to motor around and return in the fall. His brother, Claude, left Saturday for Culver M. A.

Mrs. Allan D. Kenyan and Miss Lina Knoepfel entertained at a dessert bridge at their home in Belle Terre Tuesday afternoon.

Mrs. Meissner lectured at the Belle Terre Country Club Monday on "Flower Arrangement" and demonstrated faults and merits of the flowers arranged by some of the members. Members of various clubs were present.

Mrs. Wiltshire Clayton, Mrs. Earl Williams and Mrs. Frank Child of the Belle Terre Beach Club, have recently acquired various outstanding shades of paint with which the cabanas are to be painted, during the present week. Colorful awnings also have been ordered, and it is hoped that this improvement will greatly enhance the beauty of the beach and draw numerous guests throughout the season.

Frank Child III, is going to visit his classmate of Southport, Conn., on the Fourth of July.

**Miss Jantzer to
Conduct Dancing
Classes On Wed.**

As an addition to the mid-week dances on Wednesday nights there will be an hour of dancing instruction in ballroom dancing given by Miss Evelyn Rita Jantzer. Miss Jantzer is not new to the longer residents of Shoreham because she regularly held dancing classes at the Shoreham Club until nine years ago. It was at her dancing classes that most of the older young people got their first instruction. Miss Jantzer is connected with the School of Dance and Drama in New York, and will give instruction in the latest steps in Fox Trot, Shag, Cherry Hop, Tango, Rhumba, and Viennese Waltz.

The first of these mid-week dances will be held this Wednesday July 6, at 8 o'clock in the evening. Mrs. Alfred W. Varian has been chairman of the committee which has arranged these dances. Mrs. Streeter and Mrs. Sarkany have offered their services as pianists for these dances.

Following the hour of instruction the regular mid-week children's party will follow similar to the way it was run last year. Arrangements for this part of the program are being made by Mrs. Sarkany and each night will be in charge of a different hostess and her assistant junior hostess.

**Fishing Contest to
Run During Summer**

Shorehamites have seen something of Shoreham's fishermen and have no doubt, heard much more about their activities. A fortunate few have even eaten some of the fish that were caught. It has long been agreed by Gilbert Frei, as any fisherman will believe that Gilbert Frei is the best fisherman in Shoreham. However a few weeks ago Miss Ivy Stevens was out to make Mr. Frei eat every word he has ever said about his ability as a fisherman after she went out fishing with Mr. Frei and out-fished him three to one.

The fishermen will now have a chance to find who is the best fisherman in Shoreham. The Shoreham Country Club will sponsor a fishing contest which will last through the entire summer. The steward of the club will be supplied with a pair of scales with which to weigh the fish that are caught. He will also keep a record of the fish caught and each week the rating of fish will be posted in the clubhouse.

Shoreham Club Plans 1938 Season

The Shoreham Country Club is fast making plans for the coming year. This being the twenty-fifth year since the incorporation of the village, some of the club activities will center around this event as its theme. The club has had almost as long a life as the village, since its origin is traced to meetings of some of the early residents at the old Flavell's Inn.

The club has come a long way since that time, going through several different periods of construction until it now occupies its present building, and offers a program for its members, including almost every desired recreational service. Its first and opening dance will be held Saturday night. After that there will be more dances and speciality numbers planned during the summer. Two tennis courts have been open since the first of June and the other two courts will be ready for use this week-end and

all four courts will be kept in condition during the summer. Ice cream and pop will soon be on sale for the convenience of bathers, and the ping pong table is already set up in the basement.

The house committee has been working all week to get the club in topnotch condition for the opening. Painters have been touching up here and there so that the club is beginning to shine like its old self.

Mrs. Elliott announces that the Strolling Players are planning an even better season than was enjoyed by them last year. Three plays have been chosen and will soon go into production.

Committee chairmen for the coming year are as follows: House, Mrs. F. A. Koch; Building and Grounds, George Beatty; Athletics, Robert Oliver; Membership, Miss Peggy Elliott; Admissions, Cary D. Waters; Finance, Montgomery H. Lewis; Rules, Frederick Wall Finn; En-

tainment, Miss Peggy Elliott and Miss Gladys Koch.

THE FOURTH AT THE DOVE AND TURTLE

The Independence Day week-end really sees the Dove and Turtle in full swing of the season, Carl and Karl having it opened since the end of May, with everything ready for the number of people who have placed their bookings for July, August and September.

Carl and Karl are both from the famous Hapsburg restaurant of New York, and have already established their excellent reputation in Shoreham for the finest cuisine this side of the Atlantic. Over the holiday, Karl's zither music will be augmented by another European instrument, a mountain violin, which is slightly larger than an ordinary instrument, but is played on the knees. Ernest will come espe-

cially from New York for entertainment the entire week-end.

Among prominent arrivals from New York today (Friday) are Mrs. Helen Trigg Noyes, Mr. and Mrs. J. Brooks Emory Jr., Mr. and Mrs. Malcolm McLaughlin, Mrs. Barbara Wood Bellinger, Mr. and Mrs. Merrill Anderson and Miss Lois Davidson. Other personalities include Eugene Bonner, the critic and composer whose symphonic prelude "White Nights" will be given by the New York Philharmonic next winter under the direction of John Barbarolli; Harry Bull, editor of Town and Country magazine and Mrs. Bull, and George Arents Jr., who has the Southampton Airport and frequently flies over Shoreham en route with his passengers from Southampton to New York.

HELPFUL HINTS For Home Decorating

by Uncle Andy

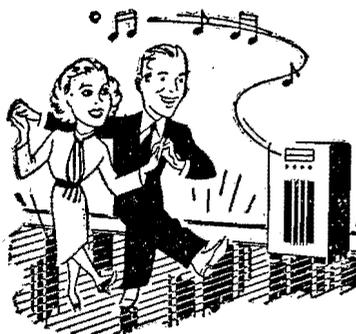

You know, I did something the other night that I want to tell you folks about. Went over to Sam Ellis' house for a glass of cider and a smoke, and as we was sittin' there peaceful like, talkin' over old times, Sam's daughter came in with a group of young scallywags. Naturally we had to clear out so's we went into

Apple". Sam couldn't see harm in that and so we let the kids be. But about an hour or so later when they collected their hats and coats to go home and Sam and me went back into the livin' room, Sam was pretty mad at what he saw.

That there livin' room floor looked as though all of Mr. Barnum and Mr. Bailey's elephants had walked across it with hobnail shoes. Never seen such scuffin' in all my life. But then I got an idee. I slid out and went home and fetched a can of that Pittsburgh Waterspar Varnish that they sell over to the Thurber Lumber Co., in Rocky Point and sid back again quicker 'n you could say "Jack Robinson". Then we went to work. Only it aint much work varnishin' your floors with that Waterspar. Goes on just as slick as can be. And would you believe it?—we had the whole livin' room floor revarnished just as bright and glossy and not a sign of a scuff in no time at all.

And the next morning when Sam went down to the store he says that the floor was better lookin' than it had ever been—all shiny like satin. So take a tip from Sam. If you've got scuffed floors, go to Thurber Lumber Co., and get some of that Pittsburgh Waterspar Varnish. It's only \$1.45 a full quart which is about enough to varnish any livin' room floor.

Sam's den. Well, first thing you know there was the consarnedest commotion! Sam and I rushed in the livin' room to see what in tarnation was goin' on.

Well, sir, the kids had the rug up and was goin' through the strangest motions you ever seed. When we asked Ruth—that's Sam's daughter—what it was all about, she said they was doin' the "Big
