SHOREHAM, NEW YORK, JUNE, 30, 1939

FIFTEEN CENTS

Sue Miles Rescues Companion

Girl, Nine, Saves Child When Ropes Could Not Hold Her

Last Tuesday afternoon it was proven that young children at Shoreham are safe in the water,—for if there is ever any one in distress there is always someone who can lend a helping hand even if the only person who is able to help is not more than nine years old. For on the afternoon in question Sue Miles did a fine job as life guard when Louise Glynn found that the ropes near the little raft would not hold her up.

Louise and Sue were ferried to the little raft by Captain Christopher Birch in the Eagle club scow. After a while the captain went ashore when he was told by Sue that they could get to shore all right. Sue knew that she could swim the distance and Louise thought that she could pull herself in by the rope. But when the girls started in Louise found that the rope would not hold her up and she started to sink. Sue got ahold of Louise and started to tell her to get back to the raft but Sue was only able to say "get" when Louise pushed her under. Sue took this opportunity to give Louise a push towards the raft and get free to come up to the surface and try and finish her sentence. This time Sue got out the second word and the same thing happened again. Finally

(Continued on Page 3)

THEY COME AND GO

Shoreham is indeed unfortunate in losing three of its prominent families. Mr. and Mrs. Montgomery H. Lewis will be in Hendersonville, N. C. for the summer in an attempt to improve Mrs. Lewis' health. They have rented their house for the month of August to Mrs. Raymond and her daughter and son-in-law, Mr. and Mrs. Frank Heiss. The early morning bathers will greatly miss Mr. Lewis' coffee shop.

Shoreham will miss the services of Mr. and Mrs. T. K. Elliott and of Miss Peggy Elliott this summer. They have rented their house to Mr. and Mrs. J. F. Beck and their daughter, and the Elliott's plan to take a cruise sometime before fall.

It is with very deep regret that Mr. and Mrs. Edwin D. Belknap will not be in Shoreham this summer. They have sold their beautiful home to Mr. and Mrs. Albert W. Barnhart. However there will be some new people who will be gladly welcomed. Mr. and Mrs. James Glynn and children, who were here last year, have taken the Giffin house. Mrs. Alice G. Hoyt and son, Billy, of Montclair, will spend the summer in the Stansfield House. Mr. and Mrs. Crane have again taken the cottage they occupied last year. Mr. and Mrs. Sax of New York, have rented the McPherson house for the summer. Dr. and Mrs. Perenyi and children are occupying the Howard Smith house.

Fourth of July Five-day Week-end To Be Scene of Many Events Here

Big Events For Next Tuesday, the Fourth

Mighty Band Will Lead Parade To The Ball Field

Actual events of next Tuesday, the Fourth of July, will be in the hands of three men, Alfred Varian, C. V. Pallister, Jr., and Robert Oliver. Mr. Varian will be in charge of the parade as he has in past years. This parade will start at ten o'clock at the Willow Links, Varian's front yard. Mr. Varian has asked that it be made clear to all Shorehamites, the new people in particular, that this is a parade for all Shoreham and that every one, old and young, is expected to be in it. All the young children are expected to march at the front of the parade to be followed by their less ambitious elders in cars.

This year the parade will be led by a band which according to its press agent and base drummer, George Beatty, "will be the most spectacular and colorful thing ever seen in Shoreham each member being an accomplished musician and able to play at least two instruments." He went on to point out that he himself could play both the large drum and the small drum. Also George claims that there will be some bagpipes in the band this year. The band is going to do some extensive rehearsing in preparation for the parade with rehearsals at the home of Robert Oliver Saturday afternoon, marching rehearsal on Sunday and a final rehearsal on Monday.

The band will form dressed for the parade at 9:30 o'clock at the Willow Links and those in charge request that all the marchers assemble as near that time as possible so the parade may begin at 10:00 o'clock sharp. But if you should forget, Mr. Varian will be out with calls just to get things started. A few "All out for the big parade" The annual baseball game with Wading River will follow as soon as the parade gets to the ball field. As it was put by C. V. Pallister, Jr., this will be a game of Wading River vs. the Shoreham All Stars. There is not much that can be said about this game now before it has been played but there will be plenty to say after it is all over.

Mr. Pallister in his plans for the day said that in the town of Shoreham the Fourth of July dinners should be planned for 1:00 o'clock sharp so that everyone will be able to get to the track and swimming events which take place at the tennis courts at 2:30 o'clock in the afternoon.

There will be first and second prizes in each of the events which

(Continued on Page 3)

Shoreham Country Club To Open Saturday Nite

The Shoreham Country Club will open the season on Saturday with a dance at the clubhouse, music by Wes Oliver and his orchestra. Mrs. Frederick Koch announces that the house committee has gotten everything in readiness and is glad to have its new enlarged kitchen and a new steward, Enoch Mentel, has been engaged.

John W. Haslett, the president of the club, announces that the dues have not been changed, and that the dead-line for paying dues will be the first week in July.

The officers of the club for this year are: Board of Directors, Mr. Cary D. Waters, Mr. Donald B. Upham, Mr. Mervin Pallister, Mrs. Alfred Varian, Mrs. William Haganagh, Mrs. John Q. Hunsicker III and Mr. Montgomery H. Lewis. President, Mr. John W. Haslett. Vice Presidents, Mr. Robert Oliver, Mr. John Quince Hunsicker III, Mr. Randall Warden, Jr.

Committee Chairmen: Finance, Mr. Donald Mackinnon. Entertainment, Mrs. Alfred Varian. House, Mrs. Frederick Koch. Admissions, Mr. Cary D. Waters. Membership, Miss Gladys Koch. Athletics, Mr. Claude V. Pallister, Jr. Rules, Mr. Alfred Varian. Building and Grounds, Mr. George Beatty.

Garden Club Holds Two Meetings In The Past Week

Last week there were two meetings of The Shoreham Garden Club held at the home of the club's President, Mrs. C. V. Pallister. The first meeting was held Monday afternoon and was a meeting of the officers and the chairmen of standing committees. Plans for the year were discussed and a proposed draft of activities was drawn up to be presented to the meeting of the entire club.

On Tuesday the regular meeting of the club was held also in the afternoon. After a short business meeting Mrs. Warden gave a talk on her recent trip to Colorado Springs. Mrs. Warden made this trip as a delegate to the National Council from the New Jersey State Federation of Garden Clubs. While there Mrs. Warden went to as many conferences as possible on Roadside Development and she came back with some interesting things to say to the Shoreham Club about this

(Continued on Page 2)

LIQUOR STORE GETS NEW FRONT

The Okst Liquor Store of Port Jefferson Station, has remodeled its front for the attraction of summer residents of the north shore communities around Port Jefferson. The proprietor announces that they will make free deliveries to nearby communities, and that they will also hold week-end specials which will be better than many New York prices.

Season's Opener To Be Typical of Shoreham

Baseball, Fireworks, Parade, and Track Meet Have Been Planned

The Shoreham season this year will get under full steam with a gigantic five-day week-end which will end up with a bang on the Fourth of July. Because the Fourth comes on Tuesday this year the week-end will be longer than it has been for a long time. It seems from all indications that the people, who are in the city during the week end most of the summer, will arrive in Shoreham on Friday or Saturday to spend their usual week-end and then say that since Tuesday is a legal holiday why go in to the city Monday and stay Monday and Tuesday.

And it does not seem that they will have a dull time of it at all. There is a lot of planning going on around here to make this one of those Fourth of Julys that everyone will remember for a long time. The opening of the club, which seems to be the nerve center of all Shoreham activities, both social and otherwise, marks the first event of the week-end. The club will open this year with a dance on Saturday night which is always a treat for those who attend.

Sunday morning at ten the Married Men vs. Single Men baseball game will be held. This will prove

(Continued on Page 4)

Varian Makes Fame As Hole-in-one Golfer

Excitement ran its bounds at the Willow Links last Saturday morning when Alfred Varian carved his name in the hall of fame of this unique golf course, of which by the way, he is the owner, by making a hole in one. The hole in one was made on the number two hole near the "bug house." After a long drive over the trees the ball landed about four feet from the cup and rolled in. Mrs. Varian, who was sitting near the hole saw the ball go in and was so excited that she fell over backwards taking her chair with her. Mrs. Edith Gridley was also another witness who actually saw the ball sink out of sight.

As is the tradition of the course all those playing paid Mr. Varian one dollar on the hole. Those playing were Randall Warden, Frederick Zenke, John Brandon and Ralph Malm.

A hole-in-one has been achieved by three other men on the Willow Links, Julian Acosta, Lucius Eddy and Cary D. Waters. Always in the past any one making a hole-in-one has given a champagne dinner but as yet Mr. Varian has announced no plans for such a dinner.

GREETINGS FOR 1939

Hello again! This is the first number of the new Shoreham Sounder series for the summer of 1939. And as usual at this time we look around us to see what has happened during the winter and who is not here and who is new here. Some one once said, "What would we do the first few weeks in Shoreham if we could not talk over things of the past winter and also look around and see who the new Shorehamites were." However, there is one new sport for these early weeks which has grown up this year and that is watching the very young children just out of the baby carriage stage as their proud mothers escort them to the beach for the first time. And while on that subject something must be done for the future generation of Shoreham there are more boys than girls coming along. What will the poor men do for dates when they get to that stage. But they will probably all have their own airplanes by then and it will be no trick to pick up a date in New York or even California for the week-end.

But we started out to give a word of welcome to the new Shorehamites. And here it is—you will get used to Shoreham and when you do, you will hate to leave the place—it seems to grow on you. So here is hoping you will enjoy your summer here—for after all, Shoreham is one of the best places, where a good time can be had by all.

THE SHOREHAM SOUNDER

Here we are again pounding on the keys of our trusty typewriters putting out the Shoreham Sounder for the third year. The editor tried his darndest to get out of editing the Sounder, pestering of people for advertisements and news, and also bothering the life out of the printers. But there seemed to be a lot of people who did not favor the idea of having no Shoreham paper. So here he is back at the typewriter still trying to write that editorial (see Vol. 2 No. 1—if it didn't light the fire this past winter).

While the editor was trying to figure out this editorial, the files of the past two years of Shoreham Sounders met his eye. He began to think of what had gone into the venerable old rag, and being a mathematician of a sort he did some figuring.

The following figures were made on the basis of an entire summer's work or ten issues of the paper, because these figures are so much more impressive. In ten issues there are about 50,000 words, not counting advertisements, enough for a good sized novel. This is printed on almost 8,000 square feet of paper requiring 20 pounds of ink and 1,400 pounds of type metal, the latter being used over and over again. All of which takes collectively 100 hours of print shop labor. The transportation department requires over 100 gallons of gasoline and wear and tear on one old Pontiac. The editor smokes about 600 cigarettes trying to think up things to put on paper. And all this is paid for by about \$300 worth of advertisement, plus the subscriptions.

All the figures mentioned are interesting but most of them have but little to do with giving you the Shoreham Sounder. However, it is the last item, that of advertisements, which really makes the whole thing possible.

There are almost 40 advertisers in the Shoreham Sounder altogether and these men advertise with the hope that they will get some business out of their advertisements. Therefore, it seems the least that the Shoreham people can do if they want the Shoreham Sounder is to trade with these men who make the paper possible. And when you buy something from these stores, let them know that you are a reader of the Sounder—it is their way of knowing that their ads are getting results.

It has always been the policy of the Shoreham Sounder to mail copies to any one anywhere at no extra cost. If you have any friends you think would like the Sounder, let us have their names and addresses and we will send them a copy and see if they are interested in a subscription, you could send them a subscription as a gift.

The Shoreham Sounder is your paper and we will print any news you might have and also take any suggestions you might think would improve the paper so that it will be your paper and not ours.

HORTICULTURAL COMMITTEE OF SHOREHAM GARDEN CLUB
By Mrs. Rufus McGahan

The soul of every garden club is supposed to be its horticultural committee. We are just starting one and invite and urge all of the membership to sign up and go to work.

It is hard to keep a garden at Shoreham, that is, what is conventionally known as a garden. There are many kinds of gardens, some of which almost take care of themselves if well started. Green gardens made by plantings of evergreens are fascinating to visit and most restful to sit in. Rock gardens are fascinating but hard to acquire in Shoreham, for alas! rocks are scarce and have to be toted at great expense or by great personal labor from a distance. Perennial borders are really satisfying things and a source of pleasure as well as a liberal education in horticulture. Carefully planned and well established, they go on forever with a minimum of care and expense. Some annuals are hard to start and require much petting, others seem to grow with almost no encouragement and these make a brave show—a marvelous inspiration to the very busy or the lazy gardener. Wild flower and woodland gardens if you have that kind of property, are a grand kind of hobby.

We are starting the season with a modest program. It began to function at the annual luncheon in New York, when each member present was presented with a few seeds of the new marigold, Burpee's Red-Gold, a very quick growing hybrid of interesting lineage. We were all expected to plant these seeds and present blooms at a date in August to be designated, for exhibition and judging.

On the Tuesday mornings of July will conduct Round Table discussions, August 1st, 15th and 29th, we sions on subjects of timely interest. In the order named, the following subjects will be presented—Iris, Seeds we may plant in August, The foundation of a good garden, Varieties of bulbs and when to plant them. These meetings will be held at the Shoreham Country Club at 11 a. m.

The committee, if strong and enthusiastic, will not cease to function with the summer months. Gar-

SHOREHAMITES

Mr. and Mrs. John Bates are taking this means of inviting all their friends to a cocktail party at their home on Saturday, July 1, at five o'clock.

Mrs. G. E. Leffingwell and niece, Miss Marian Knapp, will visit the Brandons this week-end.

Miss Carolyn Schell of New York City will be the guest of Col. and Mrs. Schell over the holiday.

Mrs. Earl Jackson and her daughter, Carol, of San Antonio, Texas, will spend the summer with Mrs. C. V. Edwards. Mr. and Mrs. Kenneth R. Strickland will be Mrs. Edwards' guests over the Fourth.

Commander and Mrs. Kenworthy and daughter will be the guests of Mr. and Mrs. A. W. Barnhart, Jr., this week-end.

Mr. and Mrs. E. Drayton Belknap will spend each week-end this summer with Mrs. Belknap's father and mother, Dr. and Mrs. McKinnon.

Mr. and Mrs. Donald Robertson of Westfield, N. J., are spending a few days with Mr. and Mrs. Frank E. Beckwith.

Miss Ann Waters, who has been visiting this past week in Stamford, Conn., and Chestnut Hill, Mass., will return home Saturday.

Dr. and Mrs. Wunder of East Orange, N. J., will be the guests of Mr. and Mrs. Claude V. Pallister.

Mrs. John W. Queen will arrive Monday to visit her daughter, Mrs. J. Thomas Miles, until after Sue's birthday on July 9th.

Mrs. Edith P. Gridley has been spending a few days with her daughter, Mrs. Harold Fee, of Mt. Vernon, N. Y.

Mr. and Mrs. William D. Van Arnham expect as their guests over the holiday, Mr. and Mrs. Edwin S. Crosby of Maplewood, N. J., and Mr. Arthur Ekenbast of New York City. Jimmy Crosby, who has been the Van Arnham's guest, has left for camp, Red Cloud.

Mr. Charles E. Hopkins and his granddaughter, Miss Lee Hopkins, will spend the summer with Mr. and Mrs. Arthur J. Sackett. Miss Bella Ingraham has been spending a few days with her aunt, Mrs. Sackett, before returning to her home in Florida.

Miss Laurel Broadbent of Brooklyn, Mr. Augustus Wittnebel and Ernest Beck, both of New Rochelle, will be at the Koch's over the Fourth.

Mr. and Mrs. Frank Heiss, Miss Eugenie Lee Finn and Mr. Francis Hunsicker will be the guests of Mr. and Mrs. John Quincey Hunsicker III.

Mr. and Mrs. D. V. Edwards and son will be the guests of Mrs. C. V. Edwards during the month of July.

dens go on all the year and so do gardeners. We will try to hold one discussion meeting each month except November and December. The meetings will probably be held in Brooklyn.

Beginning next week the committee will run a Gardeners' Calendar every week in the Shoreham Sounder.

Kohlman and Davis Take Up Fishing

Jack Kohlmann and Bill Davis have a good fish story to tell,—one to make the old salts of the Shoreham grand bank sit up and take notice and at the same time get out there and do something about it. They think that they have some kind of a record but that is up to the old hardboiled fishermen to decide as they sit over a bottle of ale after a day of good or bad fishing. The record they claim is for the most fish in any given time. Wednesday they caught 51 fish in one hour and fifty-five minutes with a total weight of 39 pounds. The only reason they stopped was that their bait ran out.

The next day they went out armed with enough bait with the idea of bettering their record of the day before, and took along two charming mermaids, Joan Fontaine and Peggy Brandon, to attract the fish. But luck was against them for they came back with only three little fish. "It always happens that way when you take girls along, you just get a nibble when they want another worm," was the reason given by Bill Davis.

GARDEN CLUB HOLDS TWO MEETINGS IN ONE WEEK

(Continued from Page 1)
subject in which they have taken such interest in the past.

Mrs. Warden spoke of billboards and hot dog stands which she said could not be entirely eliminated and about which little could be done by Legislation because of the opposition of the interested businesses. However she said that it was possible to arouse community interest and public opinion in this problem

and educate these businesses to make their places and billboards attractive and not eyesores.

Mrs. Miles announced the following list of new members to the club: Mrs. J. F. Beck, Mrs. John Bates, Mrs. Albert Barnhardt, Mrs. Geysa Sarkany, Mrs. Fontaine, Mrs. Alfred B. Thurber, and Mrs. James P. Glynn.

The officers of the club for this year are: President, Mrs. Claude V. Pallister; Vice President, Mrs. Rufus McGahan; Treasurer, Mrs. Cary D. Waters; Secretary, Mrs. Hogeboom; Program, Mrs. Randall Warden; Hospitality and Library, Mrs. Edith Gridley; Roadside, Mrs. James Robinson; Chairman of Projects and Horticultural Committees, Mrs. Rufus McGahan; Membership, Mrs. J. Thomas Miles; Ways and Means, Mrs. Oliver; Publicity, Mrs. William D. Van Arnham.

G Girls—15 and over

SUE MILES, NINE YEARS OLD, RESCUES COMPANION
(Continued from Page 1)

Sue was able to push Louise back to the raft, and the girls were picked up by a boat.

While this was going on Mrs. Miles said there was a great deal of excitement on the beach and she herself kept calling to them to get back to the raft. And what did Sue say to all this?—she said, "I did not hear you, the ropes would not hold her so all I could do was push her back to the raft."

VILLAGE NOTES

At an election held June 20, 1939, Frederick O. Zenke and Frederick A. Koch were elected trustees of the village, and Sheldon DuCret was elected police justice. Mr. Laurenot has taken over the position of treasurer of the village in place of Montgomery H. Lewis.

Jay Thomas has been engaged as life guard for this summer.

interesting this year since the Single Men have lost two of their best players to the Married Men. For once it seems there will be no pleading with Justice Frei to try and get him to increase the ranks of the Married Men. But we have it on the authority of one confirmed batchelor and one not so confirmed namely Davis and Kohlmann that the Married Men had better watch out.

Monday night there will be fireworks beginning at nine o'clock in front of the club. In connection with this the same request that has been given in the past is given again that people stay off the bridge as a precaution against overloading.

At last comes the day to end all days the one that the children have been looking forward to, for the Fourth of July is the day when

things happen with a bang and usually early in the morning. The parade will be held in the morning followed by the ball game with Wading River with contests in the afternoon and Shoreham will have officially opened its season for 1939.

**ROCKY POINT GRILL
REDECORATED**

The Manniello's Bar and Grill at Broadway, Rocky Point, has been redecorated by Goerge Bedgood of Rocky Point. The pantry is very original and inspiring—something that is truly lovely to look at. The scenes at the shore are so realistic that you would imagine yourself overlooking the beach. This is the reason it has been called Manniello 'by the sea. Another dining room has been added for the facilities of the large crowds or large parties that enjoy the good food and cocktails obtainable at Manniello's.
