

THE SHOREHAM SOUNDER

VOL. 3, No. 2

SHOREHAM, NEW YORK, JULY 7, 1939

FIFTEEN CENTS

SHOREHAM SEASON OPENS IN BIG WAY

Shoreham Resident Receives Responsible Appointment

Mrs. Warden Heads Important Committee On National Council

Shoreham boasts among its summer colony a very distinguished personage. Mrs. Randall D. Warden of Newark, has been appointed chairman of the program and lectures committee of the National Council of State Garden Clubs. She is the first member of the Shoreham Garden Club to serve on this council. Mrs. Warden has been on the board of the Shoreham Garden Club ever since it was organized in 1929 and is this year chairman of its program committee. She is also second vice president and program chairman of the Newark Club, of which she is a former president. Mrs. Warden is a new director of the Garden Club of New Jersey and assistant state chairman of roadside development.

As national program and lectures chairman, Mrs. Warden has headquarters in the office of the council at the RCA Building, 39 Rockefeller Plaza, New York. Mrs. Warden may be seen there by appointment or will send information by mail.

The bureau furnishes advice, suggestions and information on programs and speakers to garden clubs all over the country. It maintains a file of speakers on every topic connected with garden club interests. Also it has a library of mimeographed lectures prepared by gardening authorities and illustrated slides. Some of these are available to clubs for the cost of expressage, others for a small rental fee. Such lectures provide inexpensive programs as members of clubs can read the lectures and show the slides.

The bureau also gives help in program planning, both directly to clubs through reports in the Bulletin of the council which is received by presidents of clubs.

GARDEN CLUB MEETING

The high spot of the season for the Shoreham Garden Club will be a lecture by Edwin Howard on July 11, 1939 at the Shoreham Country Club. This lecture will be on garden design and it will be illustrated by Mr. Howard who sketches in colored crayon as he lectures. Mr. Howard is very well known in garden circles being very distinguished in his profession, the designing of small gardens. He is a member of the American Landscape Architects Society.

The Shoreham Garden Club, of which Mrs. Claude V. Pallister is president, has issued invitations to the neighboring garden clubs to attend this lecture and the tea which follows. It is hoped that each member of the club will bring her friends for this is to be a rare treat.

SO SAY WE ALL!!!

While a certain bachelor of our acquaintance was playing "horsey" with little Ellen Varian, in the water, Ellen questioned, "Why don't they put warm water in here?"

Miss Jantzer Resumes Dancing Classes

Instruction For Three Different Age Groups

The dancing classes for children and adults are now in full session for the summer of 1939.

Evelyn Rita Jantzer is again directing the classes and has planned a very interesting program to promote social interest for the little folks as well as the older people.

The baby class meets every Thursday morning at ten o'clock, and the work presented grants each child an opportunity to play with other children and thereby become socially adjusted.

The Junior Assembly class meets every Wednesday evening at 7:30 o'clock, and due to the training in technique last year the older children hope to accomplish much in advanced technique of ballroom dancing including training in tango, rumba, and other popular dances.

The adult class meets every Wednesday evening at 10 p. m., and expects to have instruction in the very latest dances brought to the front by Fred Astaire and Ginger Rogers. The dances in vogue include the Castle Walk, the polka, and the Castle Waltz.

Miss Jantzer will include combinations in any dance for those interested in exhibition work.

New Deputy Mayor Of New York City is Shoreham Resident

Rare honors have been bestowed upon one member of the Shoreham community. Rufus E. McGahen, who is a commissioner of the Board of Water Supply of New York City, was sworn in by Mayor LaGuardia as deputy mayor at the World's Fair City Hall last Saturday. Mr. McGahen takes over his new duties immediately, the chief one, being to represent the mayor at meetings of the Board of Estimate. Mrs. McGahen and the Misses Jane and Peggy McGahen were present at the ceremonies.

FIRST WEDNESDAY NIGHT PARTY

The first Wednesday night children's party was held at the clubhouse after the dancing class. Mrs. A. W. Varian was hostess, assisted by her niece, Miss Cornelia-Jane Van Arnam. Rene Laurecot won the prize for "Going to Jerusalem", and Nancy Thurber and Harry Laurecot the prize for the lucky number dance. These parties will be continued for the children of members of the club and their guests at 8:30 each Wednesday during the summer season.

First Dance at Country Club Is Well Attended

Parade, Ball Games, Fireworks and Races Fill a Long, Happy, Week-end

Shoreham's Fourth of July week-end was successful in a big way from beginning to end. Seldom before have there been four more perfect days from the weather standpoint to enjoy the carefully planned programs of both the Entertainment and Athletic committees.

The Saturday night dance officially opened the Shoreham Country Club for the season. Due to considerable planning, the dance was in full swing by 10:30 making it possible to enjoy the music of Wes Oliver's orchestra for a longer time than usual. It was through the efforts of Mrs. Koch and her house committee that the club looked unusually attractive and supplied the background for this most successful party. During one intermission the guests were entertained by Miss Melanie Gerard, a guest of Miss Elise Sherman, who sang two songs. Another feature of the evening was the surprise party for Otto Hagenah which was started at the strains of "Happy Birthday to You" by the orchestra. Returning to his table, Otto found it centered by a petit-cake topped with a fire cracker sized candle. The honoree received numerous gifts of great value from his many friends.

Single Men Win Over Married Men
The Athletic Program commenced Sunday morning with the Married Men vs. Single Men ball game. Although the game started with about six players on each team, it was no time at all before additional players came along. The married men got off to a small lead, but were soon overtaken by the single men, who were never behind thereafter. The final score, which was 5-3, was closer than last year's score. This might have been partly due to the loss of Dave Pallister and Gilley Frei to the married men, but a few more of the single men will have to get married before the married men can hope to win. From this game, Captain Jimmy O'Brien picked the players to take the field against Wading River on Tuesday.

Fireworks Display Impressive
There was a slight lull between this ball game and the fireworks on Monday night. This fine display was watched by large crowds from the clubhouse and Flavell's Bluff. These fireworks were a treat and greatly enjoyed by young and old, since last year there was no such display.

"All Out For the Big Parade"
Shorehamites were awakened on the dawn of July 4, 1939, by the sound of fire crackers shot off by the younger generation. This continued until "All out for the big parade" sounded as Alfred Varian rode through the streets as he has done for many years. The fire-

crackers were then discarded and a large crowd of children gathered in front of the Varian's home, eager to start the parade. When Mrs. Varian had distributed hats and noise makers, when the band, directed by George Beatty, was in its position, and when the cars were lined up, the "big parade" was under way. Officer Woodfield, in his new car, cleared the line of march from Wardencliff road, on the Gridley road, right on Woodville road up to the ball field. Mr. Hogeboom carrying a large American Flag directly preceded the "Shoreham Bagpipe, Bugle, Fife, and Stuff Corps" consisting of 15 members most of them in costume. They were Bud Sherman, Eddie Barnhart, Junior Pallister, Bill Heard, Jim O'Brien, George Beatty, Bill Hoyt, Bob Oliver, Commander Kenworth, Mervin Palister, Wes Oliver, Otto Hagenah and

Hughes. Mr. Varian came next, reminiscent of the Pied Piper of Hamelin with 40 children of various ages following him. Next came the automobile occupied by Mayor and Mrs. Waters followed by the press car of the Shoreham Sounder. Approximately 30 cars completed one of the largest parades in the history of the Village of Shoreham.

Shoreham Subdues Wading River
Upon arriving at the ball field, the band took its place in the center of the field, and while they played the people stood at attention. Mr. Brandon read parts from the Constitution which were particularly apropos and timely in an endeavour to bring to our minds the significance what was being celebrated on this national holiday.

When everybody was off the field and the bases measured out, the game between Shoreham and Wading River was under way. Shoreham got off to an early start in the second half of the first inning, scoring three times. In the third inning Wading River pushed one run across the plate, but Shoreham retaliated, sending their entire lineup to the plate and scoring six runs before they were retired. Behind the hurling of a new pitcher, Larry Bockman, Wading River held Shoreham scoreless while piling up two runs in the fifth and six more in their half of the sixth. These tallies tied the score at nine up. Shoreham pushed one run across in the eighth, but were unable to hold on to their lead as Wading River shoved two runs over the plate to go into the lead. However, the Shoreham team was not to be beaten and with a player on second, Al Barnhart singled, sending the tying run across the plate. Davey Pallister then sent a hot grounder past the second baseman and the winning run was scored.

Shoreham Season Opens in Big Way

(Continued from Page 1)

The final score read, Shoreham 12, Wading River 11.

Shoreham's victory was due largely to the hard hitting of the Pallister boys. Brilliant fielding was turned in by the whole infield, and Junie Pallister and Bill Hagenah were good battery mates, the latter being replaced by Al Barnhart when he was struck on the finger by a foul tip. The Shoreham team played as good a game as could be expected.

The line-up was as follows:
Wading River—Jesse Heatley, 2b; Bud Heatley, c.; Halsey Gosman, p.; Bud Weightman, 3b.; Hank Morgan, sf.; Jerry Rounds, 1b; Bill Miller, rf.; Ed Bockman, ss.; Larry Bockman, p.; Plue Gregory, rf.; Russel Meier, sf.; Bill Meier, lf.

Shoreham—Jim O'Brien, ss.; Gilly Frei, 3b.; Dave Pallister, sf.-cf.; Jr. Pallister, p.; Fritz Van Arnam, cf.-sf.; Jack Kohlman, 1b; Bill Davis, 2b; Jr. Warden, lf.; Al McChelland, rf.; Tommy Miles, rf.; Bill Hagenah, c.; Al Barnhart, c.

Score by innings:
Wading River 0 0 1 0 2 6 0 0 2—11
Shoreham 3 0 6 0 0 0 0 1 2—11
Young Athletes Show Their Prowess

Later in the day, the athletic chairman, Junior Pallister, ran off the track, field and water events. Prizes were given for first and second places in all events. The winners were as follows:

Bicycle Race (Boys)—First, Buddy Sherman; second, Edwin Barnhart. (Girls)—First, Cornelia-Jane Van Arnam; second, Jeanne Laurencot.

Running Races—(Boys and girls, age 7). First, Junior Sarkany; second, Lorainne Laurencot. (7-11), First, Jimmy Brandon; second, Harry Laurencot. (Boys 11-18). First, Rene Laurencot; second, Eddie Barnhart. (Boys 15-18). First, Jack Hunsicker; second, George Beatty. (Girls, 11-18). First, Barbara Sarkany; second, Jean Sarkany.

Po. Races—(12 years). First, Jean Sarkany; second, Jeanne Laurencot.

Broad Jump for Boys—(All ages). First, Jimmy Brandon; second, Eddie Barnhart. (18 up). First, Fritz Van Arnam; second, Bob Hughes.

The annual hose contest for the Donald B. Upham \$10 prize was awarded to the team consisting of Jack Kohlman, Bill Davis, Bob Fontain, Alan Warden and Fritz Van Arnam. This team drew water first and had better connections than did the gang representing the Hut. The winners of the swimming races were:

Boys—(7-11). First, Jimmy Brandon.

Boys (11-18). First, Jimmy Hogeboom; second, Buddy Sherman.

Boys—(18 up) Postponed until next week-end.

Girls (7-11) First, Clair Laurencot; second, Sue Miles.

Girls (11-15) First, Barbara Sarkany; second, Jeanne Sarkany.

Girls (15 up)—First, Mary et Haggood; second, Bea Pallister.

One of the highlights of the Fourth which occurred during the races was Quincey Hunsicker, having been coaxed to run in his race—the 0-7 race—tried to run in each race thereafter. He even went so far as to get in the men's broad-jump. Quincey promises to be the star athlete of the next generation.

So when twilight brought an end to all activities, Shoreham was able to boast of a very successful Fourth—both safe and enjoyable. The only casualties not being due to firecrackers but to injuries to baseball players on the field.

TO PICK OR NOT TO PICK!
 The answer to the gardener's question depends on whether the plant is an annual or a perennial. The majority of annuals are benefited by picking the blossoms, according to the Ferry-Morse Seed Breeding Institute. Stripped of their flowers, annuals that have but one season to produce their kind will keep increasingly at the task until cold weather halts them. Deprived of their first flowers, annuals will bring forth a new crop of flowers just as beautiful as the first ones. With perennials the story is different. They flower once in great beauty. Some bear flowers again in the Fall, but they seldom compare in perfection with the main crop. If a second bloom is desired from Delphinium, Sweet William, perennial Dianthus (pinks) or Pyrethrum (painted daisy), gardeners are advised to cut the flower stalk shortly after bloom has passed its prime. Should it be desired as a house decoration, it may be cut when in its prime, that is, it should be allowed to come into full bloom.

Henry Fonda undertakes his most important screen role in the title characterization in Darryl F. Zanuck's production of "Young Mr. Lincoln," the story of a real, human chapter in the early life of Abraham Lincoln when he was just a gangling, brawny-armed youth meeting his first real challenge.
